Corps of Engineers
Annual Day Use Pass Request

Fees are charged at many U.S. Army Corps of Engineers day use areas, including beaches and boat launch ramps. Annual passes allow visitors to avoid having to pay day use fees each time they visit any U.S. Army Corps of Engineers operated day use areas nationwide. Annual passes are valid for 12-months from the time of purchase and consist of month and year stickers affixed to a plastic tag that is displayed on the rearview mirror of your vehicle. The plastic tag can be used for multiple years, with new month and year stickers applied each year.

Payment is required with all day use pass requests. Check and money orders should be made payable to "USAED-KC." Passes can also be purchased in person at the Visitors Center Monday-Friday, 7:30 am through 4:00 pm.
