Subject: 404 Permit for Intermodel
Date: Monday, August 03, 2009 8:42:23 AM

Dear Mr. Marx,

I am writing to request that the Corps reevaluate the 404 permit for the proposed BNSF Intermodel Logistics Park in Garder, KS, with a full environmental impact statement. As a citizen of Gardner and a mother of two, I am concerned with the future quality of our air, water, and pollution. My husband and I moved to Gardner because it was far enough away from these big city elements. If this facility is going to happen, we at least need to ensure it will be as safe as possible for our children and the residents of Gardner and the surrounding area. I feel the effects this will have, have been underestimated and a full assessment needs to be completed.

Sincerely,

Christy L. Davis
