

**You are invited to attend the Upper Turkey Creek Basin Public Meeting to see results of the flood study along Turkey Creek in Merriam, Kansas.**

Please come to view the findings from the US Army Corps of Engineers' planning study. Flood walls and levees are proposed along the creek between Shawnee Mission Parkway and Johnson Drive extending through the Merriam Marketplace to Merriam Drive.

**This meeting gives you an opportunity to**

- Learn about the schedule
- Ask questions about your flood risk and how you can prepare for this project and the next flood
- Find out about flood insurance (preferred risk policy)
- Meet with city council members
