## Public Notice

The U.S. Army Corps of Engineers at the Kanopolis Project Office is offering for sale by sealed bid, (3) three lots of varied scrap metal.

- Lot #1 consists of various plumbing materials to include primarily copper waterline and brass valves.
- Lot #2 consists of a 160' trussed, narrow faced "radio tower". Tower has been dropped and is damaged.
- Lot #3 consists of approximately 90' of track rail.
- Bids shall be submitted in writing for any one or all three Lots.
- Bids shall state the individual Lot number and bid price.
- The Government reserves the right to award three separate awards or as a whole.
- The Government reserves the right to reject all bids.
- All bids shall include a tax exempt number or social security number of the offering bidder.
- Site visit is strongly encouraged.

Inspection dates shall be weekdays from 7:30 a.m. to 3:00 p.m., 10-20 December 2012. Contact Dan Hays at 816-389-3093 to schedule an appointment to view the offered metal.

All awarded material shall be removed within 14 business days of notification of bid acceptance.

Load hours shall be Monday through Friday, excluding holidays between the hours of 7:00 a.m. to 3:30 p.m. Loading is the responsibility of the bidder.

Full payment by **Certified Check** or **Money Order** shall be made prior to initial pickup.

Direct all questions to: Dan Hays at 816-389-3093 or email:
