Post-hunt form deadline: January 12, 2015.

Clinton Lake Archery Hunt 2014

Rules of the Hunt

Contact: Kyle Broockerd
(816) 389-2416

1. Archery hunting is allowed by permit only in Bloomington and Rockhaven Parks. **The application deadline for this hunt is 1:00pm on Friday, September 26, 2014.** Each application must list a primary hunter and a “buddy” hunter to participate in the hunt. **Hunters can only be listed on one application.**
2. Permits will be issued through a lottery drawing on the afternoon of **Friday, September 26, 2014**; applicants will be notified by telephone if they are selected. The issued permit must be carried by permittee and the designated “buddy” at all times and may be revoked by Corps of Engineers officials, Wildlife and Parks officials, and Douglas County Sheriff’s officials at any time.
3. **Both the primary permit holder and his “buddy” will be required to attend a pre-hunt mandatory meeting on Wednesday, October 22nd, 2014 at 6:30 pm** at the Corps of Engineers Visitor Center at Clinton Lake. If the permit holder or his “buddy” fails to attend the meeting, the permit will be revoked and given to the first available alternate hunter. At this meeting, zone assignments will be chosen by the hunters in the order they are drawn.
4. Archery only. The harvesting of does is strongly encouraged. Both hunters must have an Archery Either-Species/Either-Sex Deer Permit or an Any-Season White-tailed Deer permit. This hunt is intended for deer management, but turkey harvesting will be permitted.
5. All State of Kansas game quotas and laws apply. Hunters must show proof of state archery and hunting license(s) at the mandatory meeting.
6. Archery deer hunting will be permitted in assigned areas from **November 1, 2014 through December 31st, 2014.**
7. *Hunters will be allowed to hunt in their assigned zone/area only*; at no time will hunting be allowed outside of the assigned zone. Only the assigned permittee and his “buddy” will be allowed to hunt. (This does not apply to areas open to the general public for hunting around Clinton Lake.)
8. Parking and vehicle operation will be permitted in designated areas only, and the issued parking permit must be displayed.
9. Hunting stands and blinds must be portable only. No screw-in steps are allowed. Minor pruning is permitted to create a shooting lane.
10. Shots resulting in deer injury will need to be trailed; however, proceeding onto private property will be allowed with landowner permission only.
11. Hunters will need to submit a post-hunt form indicating the number of deer killed of each sex. All deer and turkey sightings should be tallied. These forms will be issued at the pre-

hunt meeting. **If reports are not returned by January 12th, 2015, twelve days after the final day of the hunt, then hunters may be excluded from future hunts.**

12. Any permit holder violating any state or Corps of Engineers (COE) rule, regulation, or law will have their COE permit voided, be subject to a ticket, and will be banned from future special hunts at Clinton Lake. Any person-to-person conflicts must be reported to the appropriate officials.
13. Mountain bikes and boat usage are approved for access to hunting units. **NO ATV'S.**
