

Group Camping – Elm and Ash

These group camps are open from May 1 through September 30 and cost \$50.00 per day. These areas offer random camping for up to 75 people in a mowed grassy area. These areas are designed for tent camping, but a small number of wheeled camping units are allowed, as long as campers remain on gravel roadway. Facilities include a picnic shelter, volleyball court, vault toilet, and drinking water. Campers can use the Hickory/Walnut campground shower building, just a short drive away.

Elm and Ash Group Camps are reserved through the National Recreation Reservation Service www.recreation.gov, or by calling 1-877-444-6777, but depending on availability, can be accessed on a walk-in basis, through the Hickory/Walnut Fee Booth.
