

Day Use Fees

The Corps of Engineers was authorized to collect day use fees at Corps operated and maintained parks by the Omnibus Budget Reconciliation Act of 1193 (Public Law 103-66). Areas leased to other entities or private concessionaires are not included in this authority.

A daily fee of \$1/person (maximum \$4/vehicle) is charged at developed swimming beaches. Children 12 years of age or younger are free. A daily fee of \$3/launch is charged at boat ramps that have rest-rooms, security lighting, courtesy docks, or other recreation facilities.

Registered campers in Milford Lake Corps parks do not pay the additional day use fee; their camping fee covers this charge.

Annual Day Use Fee Passes may be purchased for \$30. The Annual Passes are valid nationwide at any Corps day use fee park for boat ramp and swimming beach fees. These passes may be purchased at the Milford lake Project Office/Information Center or from Gate Attendants at any Milford Lake Corps campground.

Discount Passes

As of 1 January 2007, the Golden Age/Access Passport Program has been discontinued. A new program, *America the Beautiful-the National Parks and Federal Recreation Lands Pass* or Interagency Pass, replaces the former Golden Age/Access program.

The Corps will honor all issued Golden Age/Access Passports for the lifetime of the cardholder and will honor only the new Interagency Senior/Access passes.

Golden Age/Access Passports as well as the new Interagency Senior/Access passes give a 50% discount on user fees for camping, boat ramps, beaches and Annual Day Use Fee Passes. The discount may not be used for Corps picnic shelter reservations at Milford Lake.
