

# PUBLIC NOTICE

**US Army Corps  
of Engineers  
Kansas City District**

**Permit No. 2011-1602  
Issue Date: April 26, 2012  
Revised Expiration Date: June 30, 2012**

---

**\*\*\*\*\*60-DAY EXTENSION ON COMMENT PERIOD\*\*\*\*\*  
\*\*\*\*\*ANNOUNCEMENT OF PUBLIC HEARING\*\*\*\*\***

**The U.S. Army Corps of Engineers-Kansas City District (Corps) has announced that the public comment period on Permit No. 2011-1602 for the Corps' Jameson Island Unit Shallow Water Habitat Restoration Project has been extended from the original closing date of April 29, 2012, a full 60-days and will now close on June 30, 2012.**

**In addition, the Corps has announced that it will hold a Public Hearing on the proposed project during the comment period. Time and location of the Public Hearing has not been determined at this time. When those details become available they will be posted here on the Kansas City District Regulatory web page and distributed to stakeholders on our mailing list.**

**The Public Notice No. 2011-1602 along with the Project Implementation Report with Integrated Environmental Assessment and Section 404(b)(1) Evaluation for the Jameson Island Unit Shallow Water Habitat Restoration Project is available on the Kansas City District Regulatory web page and can be viewed at the following address:**
