

TOPOGRAPHIC MAPS OF RATHBUN LAKE

A topographic bottom contour map is available through the Iowa Department of Natural Resources for a fee of \$2.00. The map is 12 by 30 inches, with the lake being shown in 10-foot contours. You may request this map by writing to **the IOWA DEPARTMENT OF NATURAL RESOURCES, INFORMATION EDUCATION SECTION, WALLACE STATE OFFICE BUILDING, DES MOINES, IOWA 50319** or pick one up at the Rathbun Fish Hatchery.

U.S. GEOLOGICAL SURVEY QUADRANGLES MAPS

The Mystic, Plano, and Russell quadrangles maps 7.5 Minute Series cover the majority of Rathbun Lake. Confidence and Hiattsville Quadrangle Maps only cover a very small section.

- Mystic Quadrangle, Iowa – Appanoose Co.** 7.5 Minute Series (topographic)
SW/4 Mystic 15' Quadrangle Dated 1966
Covers the main body of Rathbun Lake and parts of Honey, Buck and Ham Creeks.
- Plano Quadrangle, Iowa** 7.5 Minute Series (topographic)
SE/4 Russell 15' Quadrangle Dated 1966
Covers the South Fork branch and the junction of the South and North Forks.
- Russell Quadrangle, Iowa** 7.5 Minute Series (topographic)
NW/4 Russell 15' Quadrangle Dated 1966
Covers the upper reaches of the North Fork.
- Confidence Quadrangle, Iowa – Wayne Co.** 7.5 Minute Series (topographic)
SW/4 Russell 15' Quadrangle Dated 1966
Covers the upper reaches of the South Fork.
- Hiattsville Quadrangle, Iowa – Appanoose Co.** 7.5 Minute Series (topographic)
SE/4 Mystic 15' Quadrangle Dated 1966
Covers a very small section of the Buck Creek Branch near the dam.

An overall view of the Chariton River Valley can be obtained with the following maps. These are old maps and DO NOT show the lake.
