

Wanted Campground Volunteers at Tuttle Creek Lake for the 2018 camping season:

We are searching for that special person or couple that has their own camper and would like to be part of our team for the 2018 camping season. In return for 20 volunteer hours/week, we will provide a full hookup 50 amp camp site.

Volunteer positions will be from April 2018- October 2018.

We need assistance in the Tuttle Cove Campground and the Stockdale Campground.

Responsibilities at Tuttle Cove include staffing the camp booth, general grounds work, general custodial services and posting reservations. **The reservation system is computer based so some computer experience is helpful.**

Responsibilities at Stockdale include assisting campers with general information, grounds work and general custodial services.

A complete job description is available for each location.

If you are interested please contact Angelia at 785-539-8511 or stop by the Tuttle Creek Lake Corps of Engineers office Monday-Friday 7:30am-4:30pm for more details.
