

Vapor Intrusion Public Availability Session

**Tuesday, March 13th
4-7 pm**

**Kansas State University
Salina, KS**

College Center Lobby

Sponsored by the U.S. Army Corps of Engineers, the Region 7 Environmental Protection Agency, and the Kansas Department of Health and Environment

The Environmental Protection Agency defines Vapor Intrusion as "the migration of volatile chemicals from the subsurface into overlying buildings." Please stop by to learn more about this environmental issue.
