Rules and Guidelines of the Special Deer Hunt

1. Only one gun in the blind.
2. Hunting allowed from the blind only. Only time hunters will be allowed to leave the blind is to claim their harvest or to come back to base camp.
3. Hunters will not be allowed to switch blinds.
4. Do not have loaded guns outside the blind. Guns can be loaded only after arriving at your blind.
5. Volunteer vehicles will have an orange streamer attached to vehicle.
6. All hunters must comply with all state requirements for the firearms deer season. (Orange, permits, firearms, etc.) Hunters will be required to show permits before participating in the hunt.
7. Alcohol is strictly prohibited for all participants, hunters and volunteers.
8. Volunteers will be available for assisting in retrieving harvested game and field dressing procedures.
9. Hunters will not be allowed to leave the park unless the Corps of Engineers are notified.
10. Hunters will be informed on shooting lanes and safety precautions and given maps of the area they are allowed to shoot in.
11. Parking will be permitted in designated areas only.
