

## We All Need To Help

Milford Lake is the largest lake in Kansas. Over 50% of our annual visitation occurs in the campgrounds. We need your help to protect the natural resources so that future trips to the lake are as rewarding as today's.

1. **All vehicles must stop** at the Campground Fee Booth each and every time they enter the campground, **including registered campers/visitors**. The fee booth is a high pedestrian traffic area and provides controlled access to the campground.
2. ATVs, dirt bikes and golf carts are **prohibited** in the park.
3. No driving on the grass **at any time**. Boat trailers (loaded or empty) may be backed onto the grass at your site. Extra vehicles may park parallel along the shoulder of the road to avoid obstructing traffic.

---

**Quiet Hours are from 10 PM to 6 AM.**  
**Visitors must leave by 9 PM.**  
**Check out is at 6 PM.**

---

4. Keep your site clean. Place all trash in the dumpsters. Recycle your aluminum cans at collection points for the Boy Scouts. They really appreciate it.
5. Pets must be on leashes at all times. Please respect other campers and clean up after your pet.
6. **SLOW DOWN!** You're here to relax and have a good time. Please observe the posted speed limits and watch out for the bicycle riders, walkers and children playing
7. Firewood collection: only dead and down wood can be collected for fires. Standing dead trees are wildlife habitat and must be protected.

**CAMPGROUND FACILITIES ARE FOR CAMPERS ONLY. NO DAY USE.**

## Farnum Creek

Do you live to fish or fish to live? Either way, Farnum Creek is the place for you. Located midway up the lake on the east side, Farnum Creek boat ramp gives you easy access to the entire lake and is the most protected ramp from the wind or stormy weather.

Farnum Creek has a fish cleaning station, water and electric hookups, tent and dry campsites and is home to the RC Flyer's Club, where radio controlled helicopters and airplanes rule the skies. Visitors are welcome while club members are there.

## For Your Safety

### Weather Information

In case of severe weather, tune to a local radio station for a weather update. When damaging weather occurs, take refuge in the shower building or concrete restroom structures.
