

We All Need To Help

Milford Lake is the largest lake in Kansas. Over 50% of our annual visitation occurs in the campgrounds. We need your help to protect the natural resources so that future trips to the lake are as rewarding as today's.

1. ATVs, dirt bikes and golf carts are prohibited in the park. If you are bringing ATVs or dirt bikes to ride in School Creek ORV Park, then you must leave them trailered or loaded when in the campground area.
2. No driving on the grass at any time. Boat trailers (loaded or empty) may be backed onto the grass at your site. Extra vehicles may park parallel along the shoulder of the road to avoid obstructing traffic.
3. Keep your site clean. Place all trash in the dumpsters.

Quiet Hours are from 10 PM to 6 AM.
Visitors must leave by 9 PM.
Check out is at 6 PM.

4. Pets must be on leashes at all times. Please respect other campers and clean up after your pet.
6. **SLOW DOWN!** You're here to relax and have a good time. Please observe the posted speed limits and watch out for the bicycle riders, walkers and children playing
7. Firewood collection: only dead and down wood can be collected for fires. Standing dead trees are wildlife habitat and must be protected.
8. Reserve your campsite by calling Reservation.gov 1-877-444-6777, or visit www.recreation.gov.

CAMPGROUND FACILITIES ARE FOR CAMPERS ONLY. NO DAY USE.

School Creek

Primitive camping with great fishing, a mid-lake boat ramp access and a quiet rural setting. Go to sleep under a canopy of stars and wake up to a free concert of song birds. It doesn't get much better than this.

Just a short drive north is the School Creek ORV area. Almost 300 acres of public riding lands with trails ranging from beginner to expert skill levels required. Following proper safety guidelines, the sport of ORVing can be exciting and a family activity.

For Your Safety

Weather Information

In case of severe weather, tune to a local radio station for a weather update. When damaging weather occurs, take refuge in the shower building or concrete restroom structures.

Boat Smart/Boat Safe

- Be aware of carbon monoxide poisoning around recreational boating
- Let someone know where you are going and when you will be returning

It's a Fact

The four major causes of drowning are:

1. Not wearing a life jacket
2. Abuse of alcohol
3. Lack of swimming skills
4. Hypothermia
